From the President

Hello Members and Friends,

I would like say that it was a pleasure serving as your President for the last two years. I am confident that Rose will do an excellent job as your new President. I hope everyone is looking forward to our anniversary pot luck party. We have a couple of new things we would like to try at the party so we will not be having a show and tell table at this meeting. If you would like to participate in either of the two contests we have planned you must become a member or renew your membership. Also in order to receive an anniversary plant you must also be a paid up member. Just a reminder to enter the photo contest you must have your entry in an 8 X 10 size of a named plant you have grown. You may submit up to two entries. As far as the other contest you will receive a seedling and the first member to bloom it will win the contest. If you did not sign up to bring a dish at the last meeting you may still attend the meeting just bring either an appetizer, salad, main course or side dish. Desert will be a cake furnished by the club. I would like to ask everyone to please copy the renewal application in the news letter and have it filled out with your check when you come to the meeting this will help things move along smoother and save us some time. I am looking forward to seeing you all at the next meeting.

Sincerely,

Pat Payette

HAPPY ANNIVERSARY PLANTATION ORCHID SOCIETY

Please join us for our Anniversary Pot Luck Dinner. We will have good food prepared by our very own members and an anniversary cake created by our President.

With your renewal you will also be eligible to take home your anniversary plant.

For those of you who have already signed up, we are looking forward to tasting your dish! For those of you who have not signed up, PLEASE DIG OUT THOSE RECIPES and bring in your dish. We are looking for appetizers, salads, side dishes or main dishes.

The desert and drinks will be supplied by the club.

This should be a wonderful social evening to celebrate our anniversary and we hope to see all of you there!

CONGRATULATIONS TO OUR MAY RIBBON WINNERS!

As a reminder, all plants brought in for the show table should be free of pests and diseases. Take some time to stake and clean the leaves of your plants, this allows for better presentation. Also, please do not bring newly-purchased plants for the show table. The show table is an outlet for members to share the great job they have done in growing and flowering their orchids; therefore, please respect the unwritten rule of owning and growing an orchid for a minimum of 6 months.
