*From the President*

Dear POS Members and friends,

Thanks to everyone that brought a covered dish to the 45th Anniversary Pot Luck. The food was delicious! Thanks to Elise Chapman, Judy Revier and everyone that helped put this together. It was fantastic.

We also want to congratulate our photo contest winner, Karen Reynoldson as well as the runner-ups, Lynn Molitor and Helene Albee. We all were impressed with their beautiful orchid photos!

We are happy to announce that Ernie Barham will be our July speaker. Ernie is a nationally recognized and awarded Homestead orchid hobbyist specializing in the growing of Paphiopedilums. This should be a very interesting presentation.

If you have not yet renewed, or have been thinking of signing up, but have not done so, July is our last meeting to receive your free registration plant. Please make your check out to the Plantation Orchid Society, or bring exact cash with your registration form and encourage a friend to sign up with you. The more the merrier. See Elise for registration.

Do you have a Business you would like to promote? Place an ad with POS! Your business card ad will be featured for 12 months in the POS monthly newsletter, on our web page: <http://www.plantationorchidsociety.org> and in our membership booklets for 2013-2014, all this for only \$60.00. To place an ad contact Angela Puca at (954)791-1874.

We also have a very special request for your Help! Our next big event, the October Auction, is a fund raiser that we need to prepare for now. If you are dividing any of your plants, have plants to donate, or know of a place to acquire quality plants, (reasonable price), please contact Karen Reynoldson. We NEED to raise funds to pay for our wonderful speakers, meeting room rentals, Non-profit and bank fees, registration plants, events, postage and printing for our newsletter and other miscellaneous. Without your help, none of this is possible and unfortunately there are expenses that must be allotted for so that we may continue to meet. Start spreading the word to ALL your friends and family and encourage them to attend and bring their friends.

Thank you and see you July 2nd,

Rose Maytin,  
President

## **JUNE POS ANNIVERSARY EATFEST 2013**

We celebrated 45 years of Blooming Bliss at the June 4 meeting at Volunteer Park. There was an abundance of delicious dishes to sample and no one left hungry. Our members definitely went all in, on choosing which great recipes to use for their casseroles and platters. The buffet featured everything from soup to nuts and was finished with a great slice of cake!

## July Program Presented by Ernie Barham

“Ernie Barham is a Homestead orchid hobbyist specializing in the growing of Paphiopedilums - also known as ‘Paphs’ (pronounced ‘pafs’) or ‘Lady Slipper’ orchids - a genera which, for many years, it was said to be impossible to successfully grow in South Florida. However, after having specialized in Vandas and Ascocendas for over 10 years, he has for the past 31 years specialized almost solely in Paphs - which he has found to grow and flower very well and easily here. His collection, which now contains several thousand plants, is a combination of mottled-leaved species/ hybrids and multi-floral or strap-leaved types. It is the latter, the ‘multi-florals’, which is his primary interest and the ones most easily grown in our area. Ernie has received, thus far, 70 awards from The American Orchid Society and many trophies and awards from local societies and shows. His program will highlight the easy-to-grow multi-floral Paph species, some of their primary hybrids, and their culture here in South Florida.”

## THE POS NEEDS YOUR EXTRA PLANTS!

**Our October Auction will be here before you know it. Now is a great time for all good members to get those gardening gloves out, clean out your leftover pots and divide your plants! We must raise funds to pay for our wonderful speakers, meeting room rentals, along with non-profit and bank fees and other miscellaneous. The club needs your extra plants to auction at the October meeting. Please help us out and share!**
