From the President

Dear POS Members and Friends:

I saw that everyone enjoyed the Anniversary party and the membership plants were stupendous. A great time was had by all. Thank you to all the members who took the time to prepare all those wonderful goodies to share with their fellow members.

Thanks to the members that joined us in the mini auction. The Plants were donated from the collection of Linda Sultzer, Sarita Jennings and board members. All money, raised by the club, is used for the club expenses. Thanks to everyone who donated plants for this event.

Welcome back the slate of board members, Elise Chapman, 2nd VP membership, Karen Reynoldson, Secretary, Bev Warde, Treasurer, Angela Puca, Public Relations/Trustee, Phyllis Durst, Special Events/Trustee and Tony Blanc, Trustee. A welcome back to Sue Dohn, Vice President who was a previous board member and a special welcome to Clemence Lorquet, Trustee and Francisco Lambert, Vice President. I am looking forward to working with the board towards a bigger and better POS.

Our next speaker Louis Lodyga is the former manager of Black River Orchids and Jones and Scully. In addition to his long list of accomplishments he is one of the founding members of the Coalition of Orchid Species. We are looking forward to his presentation on unifoliate cattleyas.

Looking forward to the future,

Rose M. Maytin

President

OUR JULY SPEAKER **Louis Lodyga,** **“Unifoliate Cattleyas”**

Louis Lodyga is a retired administrator with the Florida Department of Agriculture, Miami, Florida. A native of Michigan, he began growing orchids at a very early age. He managed Black River Orchids in South Haven, Michigan. While at Black River Orchids, he entered the American Orchid Society student judge program in 1969, and became a fully accredited judge in 1975. In 1979, he moved to Miami, Florida to manage the orchid section at Jones & Scully. After the destruction of Jones & Scully, due to hurricane Andrew, he began a twenty-two year career with the Florida Department of Agriculture.

Lou, as his friends call him, has collected orchids and has judged extensively in Central and South America, the Caribbean, Hawaii, and many states. Mr. Lodyga is an original founding member of the Coalition for Orchid Species, an all species orchid club and is a past president. His orchid collection contains several hundred species and hybrids, but his favorite is the genus Cattleya.

This year at the American Orchid Society Spring Trustees Meeting in Asheville, NC, Lou received the President’s Award for a lifetime of support to the America Orchid Society Judging Program and its Educational Efforts. This was the first time this award has been given!
